

Om Patel

Full Stack Web Developer | React.js | React Native | Next.js | Node.js | Bun | GraphQL | PostgreSQL

Email: ompateldeveloper@gmail.com | LinkedIn: linkedin.com/in/ompateldeveloper | Phone: +91 8149448110

Professional Summary

Full Stack Developer experienced in building scalable, high-performance web applications using React.js, Next.js, Node.js, and Bun. Adept at designing responsive user interfaces, developing APIs, and integrating AI-based features. Skilled in deployment automation, cloud services, and collaborative development to deliver clean, maintainable, and production-ready solutions.

Experience

Full Stack Web Developer | Accentiq Systems Pvt. Ltd. | Feb 2024 – Present

- Spearheading the development of an internal HR management system to centralize employee data, leave tracking, and workflow automation.
- Managing a client-facing platform serving 100k+ users, implementing secure access control and adaptive dashboards.
- Collaborating across departments to ensure scalable architecture, optimized APIs, and efficient CI/CD deployment pipelines to AWS Fargate.

Application Developer Intern | One Smarter Inc. (Remote) | Dec 2021 – Jun 2023

- Developed and deployed www.cyberbriefs.org, a full-stack web app using React.js and Django with AI-based article summarization.
- Built a PDF Rephrase Tool powered by ChatGPT-4 API for contextual rewriting using user-defined prompts.
- Contributed to CRM enhancements and maintained cross-platform mobile apps using Flutter.
- Designed and launched a Svelte-based web platform with complete frontend-backend integration on AWS EC2.

Projects

College Website (Freelance) | pesphyedcollege.co.in | Jan 2022 – Feb 2022

- Designed and hosted a responsive, multi-page website using HTML, CSS, and JavaScript.
- Enhanced user navigation and optimized site performance for accessibility and SEO.

Achievements

- Developed an efficient AI-powered system for text summarization and rephrasing.
- Designed an automation applet combining GPT and DALL·E for image generation from article titles.
